

Progress Software Corporation- Mary Székely Scholarship 2020-21

TPI Scholarship Site

Scholarship Description

Progress Software Corporation, provider of application development and digital experience technologies, created and funds the Progress Software Mary Székely Scholarship for Women in STEM to commemorate Mary Székely, the company's "fourth founder" and its first employee. Mary led development efforts at Progress for its core product platform for more than 30 years, from 1982 until 2013. Mary passed away in June 2019 but left an indelible mark on those who had the opportunity to work with her. She had a love for math and science and was a trailblazer for women in tech at a time when women pursuing careers in the STEM fields were rare.

The company will award one four-year renewable scholarship of up to \$10,000 annually to a female student from Massachusetts who is planning to major in computer information systems, software engineering, IT and/or computer science in college.

Scholarship recipients will be chosen on the basis of academic achievement; interest and experience in computer information systems, software engineering, IT and/or computer science; and personal attributes that exemplify Mary Székely's qualities, including dedication, generosity, and loyalty; strong work ethic; highest personal integrity; passion for learning; a leader, innovator, teacher, mentor and trailblazer.

Thank you for your interest in the Progress Software Mary Székely Scholarship for Women in STEM. Please read these instructions carefully before filling out your application.

Complete applications are due **Friday, March 20, 2020 by 5PM.**

Requirements

ELIGIBILITY

Requirements:

Progress Software Mary Székely Scholarship for Women in STEM scholarship recipients must meet the following eligibility requirements:

- Female or identify as female.
- Planning to major in **computer information systems, software engineering, IT and/or computer science.**

- High school senior or high school graduate who plans to enroll OR a student currently enrolled in an accredited university, college, community college or trade school.
- Cumulative high school unweighted GPA must be above 3.2 on a 4.0 scale (or its equivalent) to qualify.
- Desire to make a meaningful contribution in the field of **computer information systems, software engineering, IT and/or computer science.**
- Massachusetts resident.
- U.S. citizen or permanent resident eligible for federal financial aid.

Instructions

Completing your application

- To preview the application, click on the **Print Questions** button in the upper right-hand corner. You should do this prior to beginning the application to review the questions.
- Click the **Save as Draft** button at the bottom of the page to save your responses. To return to your application on a later date, log in and click on your application under your contact information. It will be marked Draft until you submit it.
- Questions marked with an asterisk (*) are required. You will not be able to submit your application until all required questions are answered.

- If you would like to save a copy of this application, click on **Application Packet** button at the top of the page.
- Recommender must upload a letter of recommendation to the student's online application.

Submitting your application:

- All attachments must be submitted in **.pdf, .doc, or .docx** format.
- You must submit your application for it to be considered. Once you submit your application, you will receive an email confirming its receipt. If you do not receive this email, then it has not been properly submitted and will not be reviewed. Log back into your account to submit, or email **progress@tpi.org**.
- To request a recommendation, enter the email address of your reference in the space provided, then click "Compose Email" to send them an email requesting a reference. They will receive an email from the system which will include a link for them to click on, answer questions, and upload their letter of recommendation.
- Your recommender will continue to be able to submit their letter even after you click "submit." You do not need to wait for your recommendation to be uploaded in order to submit your application.

Important: Review your application before clicking "submit". Make sure all attachments are uploaded in **.pdf, .doc, or .docx** format, and your answers are complete and clear. Click on the "Application Packet" button to view your application in the form the reviewers will see it.

Applications that have blank, unreadable attachments, or don't load correctly will not be considered. Please note that .jpeg files are not able to be viewed. It is important that you look over your application to make sure everything has been properly submitted.

If you have any questions or need help uploading documents to your application, please contact Paola Villatoro at progress@tpi.org or 617-338-5898.
